

## BIG WEST PASS BUS SCHEDULE

This Flexi-Pass allows you to "hop off" the Moose bus in our hub destinations of Vancouver and Banff, to spend extra time, between travelling on the sectors that make up your full pass. The schedule below shows the start and finish days of the week (by date range) for each sector. Use the schedule to plan your itinerary if you wish to hop on and off in Vancouver and/or Banff.

You must give us at least 24 hours notice to alter your itinerary, and any changes are subject to the availability of seats on the bus you want to hop back on to. Don't forget that you must also book your extra nights of accommodation yourself if you hop off the bus. Your accommodation package or Moose bed reservations recommence once you hop back on the bus.

**We strongly encourage you to plan your itinerary well in advance, particularly during peak season in July and August when buses are full. If you do not plan ahead, your preferred sector departure date may be sold out, and/or you may not be able to find accommodation for your extra nights in Vancouver or Banff.**

**Note: You cannot hop off the bus in the overnight destinations en route.**

Sector Name	Sector Departs From	Overnight Destinations En Route	Sector Finishes At	Sector Length	2019 Departure Date Range	Sector Departure Days	Sector Finish Days
<b>Sea to Sky</b>	Vancouver	Whistler	Vancouver	2 days	May 04 to Sep 21	Tue	Wed
