

WAPITI PASS BUS SCHEDULE

This Flexi-Pass allows you to "hop off" the Moose bus in our hub destination of Banff, to spend extra time, between travelling on the sectors that make up your full pass. The schedule below shows the start and finish days of the week (by date range) for each sector. Use the schedule to plan your itinerary if you wish to hop on and off in Banff.

You must give us at least 24 hours notice to alter your itinerary, and any changes are subject to the availability of seats on the bus you want to hop back on to. Don't forget that you must also book your extra nights of accommodation yourself if you hop off the bus. Your accommodation package or Moose bed reservations recommence once you hop back on the bus.

We strongly encourage you to plan your itinerary well in advance, particularly during peak season in July and August when buses are full. If you do not plan ahead, your preferred sector departure date may be sold out, and/or you may not be able to find accommodation for your extra nights in Banff.

Note: You cannot hop off the bus in the overnight destinations en route.

Sector Name	Sector Departs From	Overnight Destinations En Route	Sector Finishes At	Sector Length	2019 Departure Date Range	Sector Departure Days	Sector Finish Days
Athabasca	Banff	Rampart Creek, Jasper	Banff (2 nights)	4 days	Apr 27 to Jun 08	Wed	Sat
						Sat	Tue
					Jun 10 to Sep 09	Wed	Sat
